Prova di Inglese: lettura e traduzione dei seguenti brani.

I drive my children to school every day. My daughter goes to a school that is far from our house. It takes 30 minutes to get there. Then I drive my son to his school. It's close to my job. They are both good students. My daughter usually sings her favourite songs while I drive.

Martha is at the supermarket, getting ready for a house party. She has got a list of what she needs. The first section has fresh produce: apples, bananas, cherries, grapes, and strawberries. The apples are on sale for much cheaper than they normally are.

I have a vegetable garden and every summer I enjoy eating my own vegetables. One day last summer, I picked a dozen carrots. Usually, as soon as I have picked the carrots, I clean the dirt off them by rinsing them in a bucket of water. I keep a full bucket of water beside the garden just for this purpose.

One of my favourite holiday destinations is Mexico. I really like the weather there because it never gets cold. The people are very nice too; they never laugh at my bad Spanish. The food is really good. Mexico City is a very interesting place to visit; it has some great museums and lots of fascinating old buildings.

Maria, Jeremy and Peter are my new flatmates. Maria can swim, can dance and can sing but she can't ride a bike. Jeremy can paint, can roller-skate, and can ride a bike but he can't play the piano. Peter can run fast, can cook, can do karate but he can't drive a car.
